

MAGNETIC STRIPED HANGING BALL 10W M30 SERIES SURFACE LOOX

OVERVIEW

A compact decorative LED pendant designed for magnetic installation, allowing quick mounting, replacement, and maintenance. It provides uniform, comfortable illumination with an energy-efficient light source, while its crystal-effect diffuser and premium construction add a refined visual character to the interior. Its main advantage is the combination of easy installation, efficient lighting, and contemporary design, making it suitable for residential, hospitality, commercial, and decorative interior applications.
