

HIGHMAST LIGHT 320W SPORT-PRO LOOX

OVERVIEW

The Sport-Pro Loox 320W Highmast Light is a high-performance LED lighting solution specially designed for large outdoor areas such as stadiums, sports grounds, highways, ports, and industrial zones. It delivers powerful illumination with high energy efficiency, ensuring clear visibility and uniform lighting even when installed at high pole heights. High mast lights are typically mounted on tall poles to illuminate large open spaces like airports, parking lots, and sports facilities.
