

Double housing with Chip Light

Waterproof light

Double Housing with Chip combines advanced heat dissipation, premium LEDs, and high-quality electronic components to ensure a long-lasting performance. Engineered for efficiency, it delivers high luminous output with low energy consumption, making it a competitive solution in the lighting market. Designed with superior quality and enhanced functionality, it supports smart-enabled versions for greater energy savings in applications such as parking lots, workshops, storage facilities, and underpass areas. With flexible installation and a wider ceiling bracket mounting design along with additional back inlets, this luminaire guarantees ease of setup and reliable operation.

Technical Specifications

Specification	Value	Specification	Value
Power	20W/30W/40W/50W/60W	IK	08
Luminous Efficacy	140Lm/W	Dimmable	Customizable
Color Temperature	Adjustable	Cover Material	Polycarbonate
Beam Angle	120°	Housing Material	Polycarbonate
CRI (Ra)	>80	Clips Material	Stainless Steel
SDCM	3>	Chip	Lumiled (Philips)
Input Voltage	220...240V	Life Span	50000hrs
Power Factor	0.90	Warranty	5 Years
Operating temperature	-10~+45°C	Product variant Codes	LKC12IK
IP Rating	65	Product Size: 20W/30W 620*100*75mm (2Feet)	
Finish Color	Customizable	40W/50W	1220*100*75mm (4Feet)
LED Driver Brand	LIFUD (Non-Isolation)	60W	1520*100*75mm (5Feet)

Features:

- Excellent heat dissipation to ensure long lifespan.
- Impact protection grade up to IK08 makes the luminaire tougher.
- Fully sealed by high temperature resistant silicon gasket against water and dust IP65.
- Quick connector, Convenient for customer installation and maintenance.

About US

Crystal Flash Co. LLC is a manufacturer, developer, and distributor of goods within the lighting industry. The company is known for providing a top-quality level product with high and strict QC checks and standard requirements which have proven to be exemplary regarding the quality of their production firms. Crystal Flash Co. maintains an emphasis on growth, development, and advancement of themselves as a company, and in the industry in which they

operate. Crystal Flash Co. is proud of the fact that it has access to an advanced laboratory and a well-equipped and proficient R&D team, which allows them to produce products under IEC 662776, IEC 62031, IEC 61347, and IEC 60598 standards, as well as products that are fit to be exported to Europe, being approved by CE quality standards
