

# Flood Light 400W

Shoa Series - Omilex

This LED floodlight is designed for reliable outdoor lighting applications.

The die-cast aluminum body provides effective heat dissipation and mechanical strength.

With an IP66 rating, the luminaire is protected against dust and water ingress, ensuring stable performance in outdoor environments.

## Application

- Parking areas
- School yards
- Public outdoor spaces
- Building exteriors

### Technical Specifications

| Specification       | Value     | Specification         | Value            |
|---------------------|-----------|-----------------------|------------------|
| Power               | 400 W     | Material              | Diecast-aluminum |
| Total Luminous Flux | 34000lm/W | Mounting              | Outdoors         |
| Luminous Efficacy   | 85lm/W    | IP Rating             | IP66             |
| Color Temperature   | 6500K     | Flicker free          | Yes              |
| Beam Angle          | 120°      | Color                 | Gray             |
| CRI (Ra)            | ≥80       | Product variant Codes | OIF1YL04006      |
| Input Voltage       | 220-240   | Product Weight        | 1515g            |
| Power Factor        | >0.9      | Product Size          | 330*275mm        |

#### ● Warranty Void if:

- Used with Dimmer
- Used in closed or non-ventilated fixture
- Used in Temperatures above +50°C or below -20°C

## ● About US

Crystal Flash Co. LLC is a manufacturer, developer, and distributor of goods within the lighting industry. The company is known for providing a top-quality level product with high and strict QC checks and standard requirements which have proven to be exemplary regarding the quality of their production firms. Crystal Flash Co. maintains an emphasis on growth, development, and advancement of themselves as a company, and in the industry in which they

operate. Crystal Flash Co. is proud of the fact that it has access to an advanced laboratory and a well-equipped and proficient R&D team, which allows them to produce products under IEC 662776, IEC 62031, IEC 61347 , and IEC 60598 standards, as well as products that are fit to be exported to Europe, being approved by CE quality standards
